

# Project 615 Junk Removal & Dumpster Rentals

## Transparent Pricing & Service Information

### Volume-Based Junk Removal Pricing

Project 615 Junk Removal utilizes a volume-based pricing model. Pricing is determined by the amount of space your items occupy in our truck or trailer, typically measured in cubic yards. Customers are charged only for the volume of junk removed. Pricing is provided upfront prior to the start of work.

**All junk removal pricing includes:** labor, lifting, loading, hauling, transportation, and standard disposal fees. No additional charges will be applied unless discussed and approved prior to service.

### Dumpster Rental Pricing

Dumpster rental pricing varies based on dumpster size (yardage), rental duration, and availability. Due to fluctuating disposal costs and scheduling, all dumpster rentals require a custom quote. Please contact us directly for current pricing and availability.

Dumpster rental pricing includes delivery and pickup within our standard service area unless otherwise stated in writing.

### Minimum Service Charge

Project 615 Junk Removal maintains a minimum service charge of **\$120**. This minimum applies to all jobs, regardless of size or scope, and covers on-site labor, operational costs, and disposal preparation.

### Accepted Payment Methods

Payment Method	Notes
Cash	No processing fee
Check	No processing fee
Venmo	6% processing fee
Cash App	6% processing fee
Credit Card	6% processing fee

### Discounts

Project 615 Junk Removal offers discounts for qualifying customers, including seniors, military members (active duty and veterans), first responders, nurses, and teachers. Discount eligibility must be disclosed at the time of booking. Discounts are subject to verification and may not be combined with other offers.

### Important Pricing Disclaimer

All pricing is subject to change based on volume, material type, access conditions, weight limits, and local disposal regulations. Final pricing may be adjusted if job conditions differ from the original description provided by

the customer. No work will proceed without customer approval of final pricing.

For questions or to request a free quote, please contact Project 615 Junk Removal directly.
